

MAKE A GREEN CHOICE

HELP OUR PLANET NOT TO DROWN IN A PLASTIC SEA

CONTRIBUTE TO REDUCING CO2 EMISSIONS

On average, a family consumes 1,000 plastic bottles a year

CORRESPOND

At a distance of 840 km with a medium-sized car

THE IDEAL SOLUTION FOR YOUR FAMILY IS

ZOE

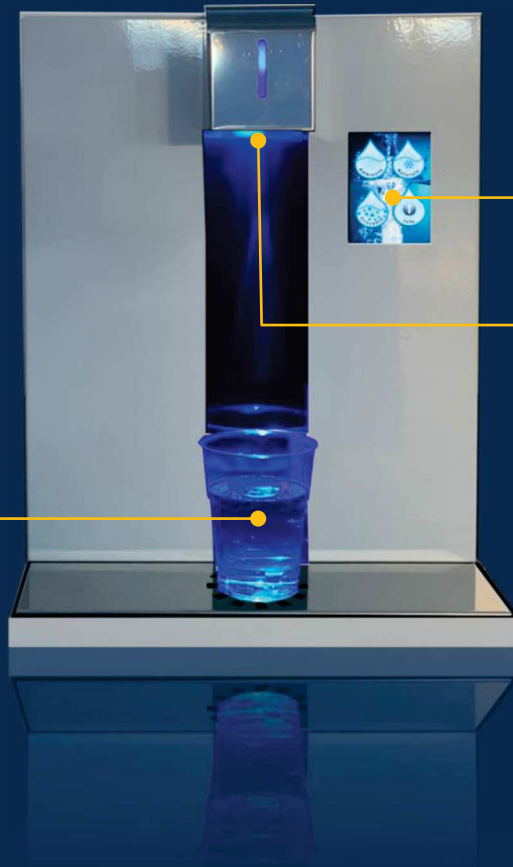

Ambience

Natural

Water Gas

Touch
Screen

Lamp UV-C

The ZOE chiller offers exceptional water quality, connects easily to the water mains, delivers fresh water at any time, reduce water waste, promote ECO-SOSTENIBILE behaviour and have a very low environmental impact.

ZOE has an elegant design available in two colours, black and white, and is equipped with an innovative interface, thanks to reliable NOVA technologies. The electronics allow for extremely easy machine set-up.

ZOE is a great little machine that has what it takes to be the best in its class.

ZOE is equipped with a touch screen with an intuitive user interface that makes it easy to choose one of the 4 available selections.

NOVA's reliable technology and electronics provide safe, quality water.
